## Your Success Team

As part of your success team, we appreciate the planning involved for the organiser. Our clients love our **fresh catering platter range**.

Either collect on the day or have us deliver. They can relax about the catering and focus on the myriad of other items important to the success and overall enjoyment of, not only the guests, but the host too.

## Menu Planning Considerations

Please consider the following when planning to receive cold catering platters for your party or event.

### Already included:

- ✓ Fresh platters can be supplied with platter cards and menu cards as required. These ensure attendees know what selection is available and what is offered on each platter.
- ✓ Platters are presented ready for service with garnishes, and pre-wrapped. Simply unwrap and serve.
- ✓ Food is supplied on platters that do not need to be returned.
- ✓ Napkins (for food orders over \$300).
- ✓ Condiments, eg, soy sauce, wasabi.

### Required at your venue:

Please consider refrigeration needs if collecting platters from our outlet, and once at your venue. Our delivery services ensure your food arrives safely stored in thermal boxes. You will need to provide the name and contact number of your persona authorised to receive the platters on the day if you will not be there.

### Good to know (FAQs):

- ✓ Hot catering packages are available for (clickable links):
  - Corporate events
  - Private parties & community events
  - Weddings & engagement parties
- ✓ Tempting desserts & fresh fruits
- ✓ Custom celebration cakes
